Best Management Practices for Retail
Featuring Eagle Printing & Sign
Tomorrow, Wednesday, Dec 20th
11:30am - 12:30pm
[REGISTER](#)

Learn about best practices for waste reduction and recycling for the retail sector featuring Eagle Printing & Sign. Take a tour of their sustainable business practices, environmentally friendly products, efforts towards zero waste, and how they are committed to reducing their environmental impact.

Matt Ashmore earned a B.S. in Resource Conservation from the University of Montana, and a J.D. from the University of Nebraska College of Law. While having experience teaching science to secondary and post secondary students, Matt has spent much of his professional life around the printing industry. He is now the second generation owner of Eagle Printing and Sign, and has had a life long interest in environmental issues and sustainable living.

Are you an Amazon Shopper?

You can help us out in one of the easiest ways possible! Just select us as your charity of choice with AmazonSmile, and Amazon will donate to Nebraska Recycling Council every time you shop with them (0.5% of the price of your eligible purchases). Show your support for NRC by selecting us as your charity to donate to.

AmazonSmile is the same Amazon you know. Same products, same prices, same service.

Recycle A Cycle for the Holidays by the Numbers, and a Cool Video!

In November, NRC partnered with the Lincoln Bike Kitchen (LBK) to call out to our members about a special America Recycles Day event. At this writing we have been unable to verify member participation, but received several verbal commitments for next year. Take a look at the LBK stats, envision happy children, and enjoy the video.

More than 300 bikes in various degrees of workability were donated. More than 20 LBK volunteers overhauled or refurbished over 160 of them. With one night left of the distribution, 127 bikes have been distributed so far. Clayton Streich, volunteer and chief organizer of the event, reported that there are an additional 33 to 45 bikes ready to go, and that they are refurbishing some adult bikes for the new Veterans Center.

Forty-one (41) were donated to individual walk-ins and eighty-six (86) bikes were distributed through the following community organizations:

Everett Elementary- 15
McPhee Elementary- 13
Cedars Home for Children- 7
Friends of Beth- 3
F St. Community Center- 12
Holmes Elementary- 6
Huntington Elementary- 8
Indian Center Inc.- 20
North Star High School- 2

St. Marks Methodist Church picked LBK to be the recipient of their "Tree of Hope" campaign, and created this heart-warming video: [WATCH VIDEO](#)

Congratulations to the Lincoln Bike Kitchen and its volunteers for spreading joy through recycling!
