Disclaimer

The content included in the MRO Starter Kit is only offered as a public service to the recycling community and does not constitute provision of legal advice. The MRO Starter Kit is not intended as, and should not be used as a substitute for obtaining legal counsel from an attorney licensed or authorized to practice in ordinance development. We strongly recommend that you consult with city/county attorneys and/or other suitably qualified attorneys when drafting your ordinance.

The information in the MRO Starter Kit does not constitute legal advice, recommendations, counsel, or guidance of any kind, and we cannot guarantee that the information is accurate, complete or up-to-date. While we intend to keep the information in the MRO Starter Kit current, Emerge Knowledge Design Inc. and contributors to this document make no claims, promises or guarantees about the accuracy, completeness or adequacy of the information contained in or linked to from it.

Since legal advice must be tailored to specific circumstances and requirements, and laws are constantly changing, nothing in the MRO Starter Kit should be used as a substitute for the advice of competent legal counsel. The authors and Emerge Knowledge Design Inc. assume no responsibility to any person or organization that relies on information contained in this document, and disclaim all liability in respect to such information.

Emerge Knowledge Design Inc. does not endorse or recommend any commercial products, processes, or services. Therefore, mention of commercial products, processes, or services in this document cannot be construed as an endorsement or recommendation.
