

Nebraska Recycling Council Communication/Outreach Internship

The Nebraska Recycling Council is hiring a part-time intern! This internship will provide rewarding work experience in sustainable materials management, general professional development, and communications & marketing across a variety of platforms. Work is available during the upcoming spring, summer, and fall semesters of 2024.

Intern responsibilities

General office tasks

Communications

- Content research and creation across multiple platforms, including video
- Website development

Support staff for [Durable Medical Equipment Collection and Rehome Events](#)

- promote events to four communities
- seek potential volunteers for events
- public outreach for interested event participants
- assist in partner meetings, taking notes
- organize event materials

Work Hours and Benefits

- \$15/hour, 380 total hours of work available. Averaging around 10-15 hours per week.
- Flexible work schedule and working location based on need and availability
- Friendly and inclusive environment
- Potential to move into a Recycling Associate position depending on funding and performance

If your department requires internship experience, we are happy to work with you to complete the required objectives.

Education, Experience, and Skills

We're looking for a student who has finished their freshman year of college with experience working on communication/social media platforms and video content development. The student must be a strong communicator in person, in writing, and on the phone. To succeed in this role you must be creative, positive, organized, outgoing, and respectful.

How to Apply

If you are interested in applying for this internship role, please send a cover letter and resume to Program Director Madeline Ferber at mferber@nrcne.org by 3/27/24. Please include your interest in working at NRC, relevant work experience, your educational background and availability.
